

Argyle Pink Diamonds celebrates 30 years with diamond encrusted feather pendant

19 August 2014

Argyle Pink Diamonds is celebrating its 30th anniversary with a limited edition pink diamond encrusted feather pendant.

Previewed in Sydney at an exclusive event in collaboration with Vogue Australia, the Argyle Pink™ Plume is a luxurious feather design, set with over one carat of natural and ethically sourced Argyle pink diamonds.

This is the first time that a collection of pink diamond feather pendants have been crafted and only 100 pendants will be made available globally.

Inspired by the spirited and remote Kimberley region of Western Australia, each pendant has a numbered '1 of 100' laser inscription and is accompanied by a certificate of authenticity and bespoke box.

Josephine Johnson, Manager of Argyle Pink Diamonds said, "The Argyle Pink™ Plume is a celebration of thirty special years and speaks to the rarity, beauty and extraordinary provenance of Argyle pink diamonds. The pendant is both an exquisite piece of jewellery for today, and an heirloom for tomorrow."

The pendant will be available through Argyle Pink Diamonds' global network of trusted retailers, known as Argyle Pink Diamond Select Ateliers, from November 2014.
